

10/14 Board & Membership minutes

Location: Pizza Ranch in Boone, IA

When: 10/14/22 @ 17:00L

Did not get a list of member present but short of Bill ARN the board was present.

**Primary discussion covered financial requirements & Vendor for 2023
Talk on financial requirements was by Tom WD0BFO on what we needed to cover basic requirements to have the event in 2023.**

Talk on vendor was availability of fair grounds and matching that with vendor availability was led by Randy WY0E.

We are starting with dates available from fair grounds and presenting these to vendors.

We broke for dinner about 17:30 and no other items brought up so meeting adjourned @ 17:30L.

Walked around to warm up the room was extremely cold even the servers thought it was a walk in cooler. We all had a nice meal and left to go back and do more setup at fair grounds.
