

Hamboree 2024 Report

Setup 10/18/24 in the commercial building, started about 2.

With the help of the following volunteers things went smooth and don't think anybody was over worked:

<u>Position</u>	<u>Call</u>	<u>Name</u>
Registration	KB0MPL	Margot
Door Monitor	K0ACR	JC
Door Monitor	AD0HZ	Terry
Raffle Table	WY0E	Randy
Setup	WB0VLX	Dwain
Setup	KB0LPI	Eric
Setup	WB0OKA	Wade
Talkin	KE0QEU	Blake
Tear down and clean up all		

Thank you again for all for your help.

Saturday morning had a number of walk ins and was able to just say need volunteer to help with some tables and it was done. We were short a PA system in this building but one of the items being sold was a PA system Mic and 2 speakers with stands. The club was able to purchase them with Donations and they worked very well. Thank you Steve & Clay. Weinie Wonderland did fine job and she is just waiting our call with the date for next year so she can get us on the books. I don't think cleanup lasted an hour and the hardest part was the trash had to go back behind where we where before. Again thank you all for helping clean up, it went so fast and so many people helping don't have a list of names, sorry. My opinion was the Commercial building with the ERB building for facilities and space for testing were very nice for your needs and we are aiming and getting them for 2025 too. Now is the time to email or contact the board and let us know any changes or additions you would like to see. Not saying they will happen but you have to ask so we can check for sure. If you wait to Sept or Oct next year it won't happen.

Now for the financial side of it we got the commercial building and ERB building for \$600 and are asking for same deal for next year. We had 106 register. We had \$408 in donations of which \$300 was used for the PA system, and \$100 was a raffle prize and \$8 from people saying keep the change on registration. The extra raffle sales was \$80 and I deposited \$962 in the bank giving us profit of \$362. Basically that means we are 1/2 way to paying for next years Hamboree. Remember if you can't make it but would like to help donations will be accepted. We sold 18 tables & had 2 tailgaters.

Event in the books working on 2025 Thanks again & 73 to all.
